

Saratoga Underground Water Conservation District

NEW OPERATING PERMIT APPLICATION

This form is used for issuance of a permit authorization in accordance with District Rules for Operating Permits for Non Exempt Wells.

This will be a non-exempt well drilled after November 14, 2024

Each Well under this permit is subject to inspection by District Staff. Property access for inspections is authorized by Texas Water Code, Chapter 36.123 and shall be scheduled with the well owner and conducted in accordance with State and District Rules.

The Applicant who is applying for this Permit may be required to deposit such sums as is needed should this permit be contested.

APPLICATION TO BE COMPLETED AND SIGNED BY THE "WELL OWNER". "WELL OWNER" means the person who owns a possessory interest in: (1) the land upon which a well or well system is located or to be located; (2) the well or well system; or (3) the groundwater withdrawn from a well or well system. Complete One Application For Each Well.

Application Date: _____

This application may be mailed, e-mailed or hand delivered.

Well Owner: _____

Mailing address: _____

City: _____ State: _____ Zip: _____

Phone: _____ Alternate Phone: _____

Email: _____

Contact Person (if other than owner): _____ Phone: _____

Registrant: _____ Phone: _____

Well Site Address (911 Address): _____ City: _____

_____ Legal

Description: _____

Lot or Tract Size: _____ acres. Contiguous controlled acres to be associated with this

Permit Application: _____ Acres

Requested Annual Water Production: _____ Acre Feet/Year

Nature and purpose of proposed use (circle):

Domestic Livestock Public water supply Irrigation Industrial/Commercial

Other: _____

District to Complete

_____ Grid No.

_____ Registration
No.

_____ Operating
Permit No.

_____ TDLR Tracking
No.

If the water will be used for more than one use such as industrial & public water supply list each use and amount on a separate page and attach to the application.

Estimated rate at which water will be withdrawn: _____gpm.

Aquifer or aquifer subdivision from which water will be produced:

Estimated Amount of Water Use:

Total amount of groundwater to be used on an annual basis from this well: _____

gallons/year. List Proposed Usage of Water Produced from Well and the Amount of Usage:

Use _____ Amount Used _____ gallons/day Use

_____ Amount Used _____ gallons/day

Water Production System:

Single Non-Exempt Well or Multi-Well System using _____ Exempt and/or Non-Exempt Wells.

There are _____ existing Exempt well that will be associated with this Operating Permit.

There are _____ existing Non-Exempt well(s) that will be associated with this Operating Permit. **Provide**

attachments with the following information associated with this Permit Application: Registration

Certificate for Exempt well(s) and Operating Permit and/or Operating Permit Application(s).

Well Drilling Information:

Drilling Company: _____ Phone: _____

Driller Name: _____ License #: _____

Address: _____ City: _____ State: _____ Zip: _____

Pump Information:

Will the Drilling Company identified above also install the Pump? Yes No

If No - Complete the following information: Pump Company: _____

Phone: _____ Pump Installer Name: _____

License #: _____ Address: _____

City: _____ State: _____ Zip: _____

Required Attachments:

Well Location Map or Property Plat drawn to a scale that adequately details the well site, well site access route, property lines, location of other existing or proposed wells on the tract, existing wells on adjoining tracts which may lie within the spacing required for the proposed well, location of surface storage, location of existing water uses if applicable, location of existing or proposed on-site wastewater systems, and the location of any other potential source of pollution.

Annual Groundwater Production Calculations: Annual groundwater production requests shall be based, if possible, on historical records, current metered usage, or other accurate measurement methods. If such documentation is not available, the applicant shall provide production calculations

based on type of use, pumping capabilities, pumping times, pumping frequency, and other pertinent data to substantiate approximate groundwater production. Well owners may wish to contact the District for consultation and assistance when calculating or estimating annual groundwater production needs.

Certification

Is a Water Well Closure Plan attached in the case that this well would ever fail or become inactive?

Yes No

If no, signing this application is a declaration that the applicant will comply with Administrative Rules of the Texas Department of Licensing and Regulation (TDLR) 16, Texas Administrative Code, Chapter 76 well plugging guidelines and report closure to the District:

Is the groundwater withdrawn from the well used in a location different from the well site?

No Yes

If yes, explain: _____

Applicant agrees that water produced/withdrawn from the proposed well will be put to beneficial use at all times.

Yes No

Important Notice: Many of the incorporated cities in Lampasas County have ordinances concerning the drilling of wells within their city limits. It is your responsibility to comply with your city ordinances regarding the drilling of wells. The permits issued by the Saratoga Underground Water Conservation District do not confer any right to violate any city ordinances regarding drilling wells within city limits. I have read and understand this notice. No Yes

Owner's or Registrant's Sworn Statement

I hereby swear or affirm that the information given herein is true and accurate to the best of my knowledge and belief and that I will comply with the Saratoga Underground Water Conservation District Rules and Management Plan. I further swear or affirm that any change is made to the well, the pump or use of the water that would change the classification of this permit I will notify the District prior to making the change and will apply for an amendment to the permit, apply for a permit that will meet the requirements of the Rules or will not make the change.

Well Owner's Signature _____ Date _____
